

Wedding/Commitment/Civil Partnership Fee

£750

1. After our initial enquiry call and my availability is confirmed, we arrange a meeting to discuss your plans and I can get to know you both to enable me to advise and make suggestions for your big day. Up to this point there is no obligation to book me.
2. When you decide to have me as your celebrant, a booking fee of £150 will be required to secure your date. This will be deducted from your final invoice. If you change your mind about the booking, the fee is not refundable.
3. We can visit the venue and run through everything and work out the logistics of your service.
4. I will start writing your service and include all aspects we have discussed and send you drafts for your comments, amendments and final approval.
5. I can also help you write your vows if needed.
6. Full payment will be required 6 weeks before the date of your celebration.

There will be no limit to how many times you need to contact me from our first call to your big day – it's important to me that we get everything just the way you want it to ensure your ceremony is all about you, your wishes and that you have magical memories of your special day.

After your celebration, I will send you a keepsake of your wedding ceremony. Additional copies of the keepsake can be purchased at a minimal cost of just the printing.

MC Services Fee

£350

Would you like someone to take on the task of Master of Ceremony without the usual stuffiness and pomp of a traditional MC or Toastmaster? I'd be happy to add a light hearted, modern approach to your service which we can discuss at our initial meeting.

Prices current for 2025

Please note these prices will be honoured for bookings confirmed this year for ceremonies in 2026
